2.0 RATIONALE

On March 29, 2022, the Supreme Court dismissed the Petition for *Certiorari* and Prohibition filed by Atty. Victor Aguinaldo assailing Commission on Elections (COMELEC) Resolution No. 9371 or the Rules and Regulations on Persons Deprived of Liberty (PDL) Registration and Voting in Connection with the May 13, 2013 National and Local Elections and Subsequent Elections Thereafter. It further lifted the Temporary Restraining Order issued on April 19, 2016 paving the way for the full and unimpeded implementation of the said COMELEC Resolution.

The Supreme Court's decision affirms the constitutional right to suffrage of all qualified Persons Deprived of Liberty (PDL). They may now be allowed to register and vote for candidates in the National and Local Elective Positions. They will be taking part in choosing the future leaders of our country and their respective localities.

One of the means allowed by law for the candidates to be able to reach out to the voters and make known their platforms and programs is the conduct of campaign activity. This will also help the voters in making their choice of candidates for a particular position. Barangay assemblies and candidates' *fora* are to be conducted during the campaign period which is fifteen (15) days before the day of the election unless otherwise fixed in special cases by the COMELEC.

However, in view of the lingering threat of COVID-19 infection, there is a need for the continued implementation of established health protocols in jails to prevent the virus' transmission among personnel and PDL. For this reason, and in light of the upcoming synchronized Barangay and Sangguniang Kabataan Elections (BSKE), it is prudent to adopt different modes of campaigning in jails. Hence, this Memorandum Circular lays down the guidelines and procedures for virtual, digital or in-person campaigning in jails for the Synchronized BSKE.

3.0 PURPOSES

- 3.1. To afford Candidates for the BSKE a chance to campaign in BJMP jails;
- 3.2. To provide efficient and effective modes of campaigning in jails through the use of modern technology; and
- 3.3. To ensure safe, orderly and secure campaigning in jails.
